

Prep Classes

Prep Classes are for members in 1st through 3rd grade. These classes are designed to create an interest in dog shows for our younger members. Prep members are able to show their dogs in a *non-competitive format*. This will be a separate class open only to Prep members. They will have their own judge who will be there to give encouragement and provide positive. This class is designed to give youngsters confidence in being in the show ring. The dogs will be examined with reference to how they were **GROOMED**. The Prep members will have their own version of **JR. SHOW** the judge assisting and commenting in a positive fashion. In addition, the Prep members will perform the same exercises as listed in the **BEGINNER A** class. Prep members may also participate in **MAZE & AGILITY** (when offered) without being timed or placed. None of the classes involving Prep members will be judged competitively more will there be any placements. All Prep members will receive a “Special Rosette” for participating in this class.
