

# Word Problems in Math

Frustrated with  
word problems?

Gain Confidence and  
Improve your math  
score!

## Free Introductory Seminar

*Learn about an 8 hour summer class that covers the skills you need to master word problems\**

**Thursday, June 4, 7-8:30 pm**

or

**Tuesday, June 16, 7-8:30 pm**

**4-H Center**

**\*prerequisite: must have completed algebra**

Each type of word problem has a unique format, e.g. “distance-speed-time”, “mixture”, “work”, “age”, “percent (investments, & discount)” This free introductory class covers each topic with an example with what you will learn in the 8 hour class. Become proficient in each type of problem. Setting up algebraic equations is as easy as filling in the blanks.

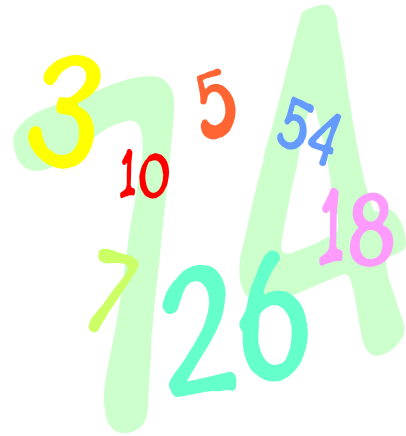

Presenter: Mr. Ning is certified to teach High School Math in New Jersey. For more information or to register contact him at: (908) 392-5193 or [hning123@gmail.com](mailto:hning123@gmail.com)

# Word Problems in Math

*Gain confidence and improve  
your math score*

- **Who**—Anyone who has taken algebra
